

# Model Teacher Challenge

The goal of the Model Teacher Challenge (MTC) is to showcase exemplary NFTE teachers by creating a competitive opportunity that allows them to disrupt, innovate and create engaging instructional classroom experiences that increase student participation, understanding and performance.

### Who is Eligible

All NFTE teachers who have taught for at least one year and are currently teaching a NFTE course (such as Owing Your Future, Entrepreneurship 2 or Startup Tech).

### How to Compete

Complete the application provided by your regional NFTE office and email it to [tedt@nfte.com](mailto:tedt@nfte.com) by November 29, 2018.

Complete your entry by submitting portfolio materials (one NFTE lesson plan, a video of the lesson being taught, and a reflection on your teaching practice) no later than February 3, 2019.

### Recognition and Cash Prizes

The First Place Winner in a region will receive \$6,000.

The Runner Up in a region will receive \$3,000.

Regional winners will be recognized at NFTE RYEC finals events and will automatically qualify to enter the next round of national competition.

**Applications are due by November 29, 2018**

Regional winners will be announced in April 2019
