Entrepreneurial Mindset is...

Opportunity Recognition
The practice of seeing and experiencing problems as opportunities to create solutions.

Comfort With Risk
The capacity to move forward with a decision despite inevitable uncertainty and challenges.

Creativity & Innovation
The ability to think of ideas and create solutions to problems without clearly defined structures.

Flexibility & Adaptability
The ability and willingness to change actions and plans to overcome present and future challenges.

Initiative & Self-Reliance
The power to take ownership of a project without input or guidance and work through obstacles independently.

Future Orientation
An optimistic disposition with a focus on obtaining the skills and knowledge required to transition into a career.

Critical Thinking & Problem Solving
The capacity to apply higher-level, process-oriented thinking, consider an issue from a range of possible perspectives, and use that reasoning to make decisions.

Communication & Collaboration
The ability to clearly express ideas to an intended audience, including persuading others to work towards a common goal.

...essential to success in the 21st century innovation economy!
